

2017

Hello campers!

Please look over the percussion audition criteria. The auditions themselves will be low-stress and will be an opportunity for me to see where you are in your musicianship. Remember that the *Concert Percussion* auditions will take place from 2:30-4:00pm on Monday. If you're also interested in Jazz Band, then the *Jazz Drumset* auditions will take place from 3:00-4:45pm on Monday as well.

DMMC Percussion Audition Criteria

Concert Percussion

- Bring a prepared piece for mallets and/or snare drum
- Sight read on both mallets and snare drum
- Demonstrate a select few scales and rudiments

Jazz Drumset

- Demonstrate different musical styles (i.e. swing, rock/funk, latin, etc.)
- Sight read a chart
- Demonstrate the ability to trade fours and eights (i.e. play four measures then solo four measures)

I look forward to working with you all this summer!

(p.s. If you own sticks and mallets don't forget to bring them!)

-Katie Eikam, Percussion Instructor
